

# Evaluation and feedback

# Thank you!

1. Certificate of attendance if required
2. Official feedback form from yDiv

Please spend 5 mins to think and evaluate

- What went well?
- What went badly?
- Was it too much/ too little?
- Did you have enough conceptual background?
- How can we improve?
- Are you confident?

We can talk together, or if you feel uncomfortable you can email us with your specific thoughts!
